

SOCIAL STUDIES ASSIGNMENT

(1) DISCUSS THE SCOPE OF SOCIAL STUDIES

Social Studies is about understanding our world, including areas like family, community, environment, and culture. It helps man to identify and solve problems in his environment.

(2) HIGHLIGHT ANY SIX IMPORTANCE OF SOCIAL STUDIES

1. It helps in exposing individual student to different societies and cultures.
2. It helps in training our youths to become responsible citizens.
3. It helps in preparing the youths to become responsible future leaders.
4. It also makes students to be familiar with their social and physical environments.
5. It encourages students to be a good citizen.
6. It emphasizes the importance of peaceful co-existence and tolerance.

(3) LIST FIVE FACTOR OF RESPOSIBLE FOR THE TRAFFICKING OF WOMEN AND CHILDREN

- Poverty/low income households.
- Home runaways/ domestic problems.
- People who migrate into another country for economical purposes, especially women.
- Poor education background.
- War. ...
- Lack of legitimate and proper employment opportunities.
- Demand for women sexual services.

(4) MENTION FIVE IMPORTANCE WAYS OF PREVENTING HUMAN TRAFFICKING IN THE COUNTRY

1)Share a missing person(s) poster

You can search or share any missing person posters you come across at the **National Center for Missing and Exploited Children**. But remember to take down your shared post if the person has been found. This will help protect their privacy in the future.

2) Learn how to spot the signs of sexual exploitation

Up-to-date education is vital to spot signs. Thank you to those who support education-focused non-profits in their continuous effort to building awareness. You can start learning by visiting our **Tools for Education** page.

3) Share up-to-date education on trafficking prevention

Find a great book, article or podcast on human trafficking prevention? Share it! Peer-to-peer discussion can lead to longer lasting awareness. You can follow us on social media to easily find posts to share with your friends and community.

4) Read a book on trafficking prevention

From first-hand accounts to scholarly , there are many books that expand on the realities of human trafficking. Find out if your local library or community has recommendations or even a book club.

5) Subscribe to a podcast or Youtube channel focused on trafficking prevention

The more views, the more they can create content.

- The non-profit Christie's Cause has a **podcast** web series that interviews those on the front lines of trafficking prevention.
- **Ending Human Trafficking** with Dr. Sandra Morgan was established in 2011 to find a global solution to this problem.
- **Lantern Rescue** is an organization making strides in creating hope for those who are exploited, persecuted, and displaced.
