Soccer is one of the most popular sports in the entire world. It has a vivid and interesting history in the world of sports. Early evidence of soccer being played as a sport finds occurrence in China during the 2nd and 3rd centuries. You can easily say that this popular game has been played for more than three thousand years. The nativity of modern-day soccer must be credited to Britain. It was also known as the Association football, with Scotland and England being the co-founders of the systematic game of soccer. The rules and regulation continued to evolve in Britain and by the 1900s dedicated soccer clubs began to emerge, playing matches against one another.
