

CLOSING LETTER FOR THE END OF FIRST TERM 2022/2023 session

Dear Esteemed Parents,

With hearts full of joy, we send our hugest regards. We thank our father in heaven for seeing us through this 1st term of the 2022/2023 academic session. We appreciate Him for the gift of life and the enablement to carry on with our academic/extra – curricular activities. This journey would not have come this far but for your support. Our dear parents we say a very big thank you to you.

We promise to always be on our toes to make sure that the holistic development of your ward(s) is not only achieved but sustained.

We appreciate the commitment of our members of staff and their willingness to leave no stone unturned towards giving their very best to our pupils. In the same vein, we appreciate our pupils for yielding to our life moulding process which has led to noticeable daily improvement in their lives.

Topmost on our priority is our desire to always deliver on best educational practices and we shall continue to uphold our policy of “**putting every child first**” and “**raising stars**”.

ACADEMICS

The term began on the 19th day of September, 2022 and we have witnessed a lot of academic and co – curricular activities. Pupils’ performances this term was wonderful as it reflected in their continuous assessment and terminal results. The co – curricular activities have been excellent as well. This shows the commitment in our pupils as they have demonstrated diligence in their studies.

We implore parents not to relent in their effort at the home front to keep encouraging their wards to study hard when they are at home and especially during the holiday.
