

Today is Saturday, General studies 1-15-2021

1a) What is a family?

A family is a group of people closely related by birth, blood, adoption or marriage.

2a) List and explain the two (2) types of family.

1) Nuclear family - Is made up of father, mother and children.

2) Extended family - Is made up of grandparents, uncles, aunts and cousins.

3) Write out the relationship among members of the extended family.

a) stepmother - It is my father's other wife but not my real mother.

b) Aunt - My mum's or dad's sister.

c) nephew - The son of my uncle or aunt.

d) niece - My aunt's daughter.

e) Mother-in-law - My mum's or Dad's mum.
