

QUESTION 1: NARRATE THE STORY OF THE FIRST CREATION.

ANSWER

According to the Book of Genesis in the Bible, the creation story is described in the first two chapters. Here is a summary of the story:

1. **Creation of the world in six days:**
 - On the first day, God created light and separated it from darkness, calling the light "day" and the darkness "night."
 - On the second day, God created the sky and separated the waters above from the waters below.
 - On the third day, God created dry land and gathered the waters into seas. He also created vegetation - plants, trees, and fruits.
 - On the fourth day, God created the sun, moon, and stars to give light to the earth and to mark the seasons.
 - On the fifth day, God created sea creatures and birds.
 - On the sixth day, God created land animals and finally created man and woman in his image.

2. **Creation of Adam and Eve:**
 - God created Adam, the first man, from the dust of the ground and breathed life into him.
 - God placed Adam in the Garden of Eden and gave him the task of caring for it.
 - God then created Eve, the first woman, from one of Adam's ribs while he slept, to be a companion and helper for him.

3. **The Sabbath:**
 - On the seventh day, God rested from His work of creation, blessing the seventh day and making it holy, which is why the Sabbath is considered a day of rest in many religious traditions.

This is a brief summary of the creation story as described in the Book of Genesis in the Bible.

2. QUESTION 2: NARRATE THE TRANSFIGURATION OF JESUS.

ANSWER

The Transfiguration of Jesus is an event described in the New Testament of the Bible, appearing in the Gospels of Matthew, Mark, and Luke. It is a significant event in Christian theology that illustrates the divine nature of Jesus Christ.

According to the Gospel accounts, Jesus took three of his disciples, Peter, James, and John, up a high mountain, traditionally believed to be Mount Tabor in Israel. While they were on the mountain, Jesus' appearance was dramatically altered: his face shone like the sun, and his clothes became dazzling white. At that moment, Moses and Elijah appeared and began talking with Jesus. This event is often interpreted as a representation of the Law (Moses) and the Prophets (Elijah) bearing witness to Jesus as the fulfillment of scripture.

During the Transfiguration, a bright cloud overshadowed them, and a voice from the cloud said, "This is my beloved Son, with whom I am well pleased; listen to him." This voice is understood to be the voice of God the Father affirming Jesus as His Son.

The Transfiguration is seen as a pivotal moment in the Gospels because it reveals Jesus' divine nature to the disciples who witnessed it. It provided them with a glimpse of the glory of Jesus as the Son of God. The event also serves as a confirmation of Jesus' identity and mission, preparing the disciples for the challenges that lay ahead, including Jesus' crucifixion and resurrection.

The Transfiguration is celebrated in some Christian traditions as the Feast of the Transfiguration on August 6th. It holds great theological significance as it affirms Jesus' identity as the Son of God and points to his ultimate victory over sin and death.
